

## Ocean, Harbor and Bay Rain Advisories 2000 – 2010

Orange County Ocean Water Protection Program issues a Rain Advisory during or immediately after a rainstorm event that results in measured rainfall greater than or equal to two-tenths of an inch (0.20”). If multiple rainstorm events occur during the 72-hour window of the previous rainstorm, the existing Rain Advisory continues for an additional 72 hours. Rain Advisory information is provided by issuing a Rain Advisory Press Release to media outlets and on the Ocean, Harbor and Bay Water Closure and Posting Hotline at (714) 433-6400, Webpage at [www.ocbeachinfo.com](http://www.ocbeachinfo.com), and on Twitter <http://twitter.com/ochealth>.

Listed below are the total number of Rain Advisory days for each year and the dates that the ocean, harbor and bay water Rain Advisories were in effect for Orange County from 2000 - 2010.
