

Ocean, Harbor, and Bay Rain Advisories 2023

Orange County Ocean Water Protection Program issues a Rain Advisory during or immediately after a rainstorm event that results in measured rainfall greater than or equal to two-tenths of an inch (0.20”). If multiple rainstorm events occur during the 72-hour window of the previous rainstorm, the existing Rain Advisory continues for an additional 72 hours. Rain Advisory information is provided by issuing a Rain Advisory Press Release to media outlets and on the Ocean, Harbor, and Bay Water Closure and Posting Hotline at (714) 433-6400, Webpage at www.ocbeachinfo.com, and on Twitter @OCHealth
