

Ocean, Harbor, and Bay Water - Rain Advisories 2024

Orange County Ocean Water Protection Program issues a Rain Advisory during or immediately after a rainstorm event that results in measured rainfall greater than or equal to two-tenths of an inch (0.20”) across Orange County Rainfall Monitoring Stations. If multiple rainstorm events occur during the 72-hour window of the previous rainstorm, the existing Rain Advisory continues for an additional 72 hours. Rain Advisory information is provided by issuing a Rain Advisory Press Release to media outlets and on the Ocean, Harbor, and Bay Water Closure and Posting Hotline at (714) 433-6400, Webpage at www.ocbeachinfo.com, and on Twitter @OCHealth

Listed below are the total number of Rain Advisory days for the year, and the dates that the Rain Advisories were in effect for Orange County ocean, harbor, and bay waters.
